

• AIRPORT

There are three ways to reach the city centre from the Belgrade airport:

1) Shuttlebus – The A1 shuttle bus can be used to transfer from the airport to the city centre. It's final stop - Slavija square, is only 10-15 minutes walking distance from the Main Venue. The cost is 300 RSD, travel time is between 30-40 minutes. More information regarding its departure from the airport can be found here:

2) Taxi – If attendees decide to take a taxi from the Belgrade airport, they should obtain a voucher from the information desk located at the exit from international departures, after baggage claim and customs. We strongly suggest avoiding other taxi drivers that will surely offer their services, because their price will most likely be significantly higher. The approximate price is 2000 RSD. More information on pricing can be found here:

3) Public transportation – You can transfer to the heart of the city by using the bus #72, which will take you to one of the largest public bus stations, Zeleni Venac (20-25 minutes walking distance from the Main Venue). For prices, see “Transportation” on the first page.
